2022 Roll Off Bin Service Agreement

This Service Agreement is made this _____ day of _____, 2022, by and between Gulf Coast Scrap & Salvage, Inc., dba Gulf Coast Service Group and _____ (Customer) as follows:

PAYMENT: Customer agrees to pay Gulf Coast Scrap & Salvage (GCSS) the established rates for the services provided. Customer shall be liable for any taxes, fees imposed by federal, state, or local authorities. Any charges, fees, and/or assessments incurred by GCSS relative to the denial of payment to GCSS by customer's credit card company, bank, or other entity used by customer to pay GCSS are fully the responsibility of the customer.

SITE ACCESS: Customer agrees to provide unobstructed access to the equipment on the scheduled collection day. If the equipment is inaccessible so that the scheduled pick up cannot be made, GCSS will promptly notify the customer and afford the customer a reasonable opportunity to complete scheduled work while driver is on site.

*If access is not achieved, customer will be charged a failed run fee of \$125**

THE FOLLOWING CONDITIONS WILL PREVENT YOUR ROLLOFF CONTAINER FROM BEING SERVICED:

Overweight Container – see overloaded bin policy below

Overfilled Container – see overloaded bin policy below

Blocked Container

Container behind a locked gate

*If access is not achieved, customer will be charged a failed run fee of \$125**

OVERLOADED BIN POLICY:

Customer is the responsible party for maintaining proper bin weight restrictions. It is illegal to transport an overweight bin on the road. Gulf Coast Scrap & Salvage provides Customers with a designated line representing the load restriction on the outside of each bin. If the bin is filled above the line, additional fees will apply. If a dumpster is too heavy to be moved, Customer will be charged accordingly. To prevent overloading, GCSS recommends loading dumpsters so that weight/load is distributed evenly.

***Additional fees apply outside of New Orleans Metro area.**
